THOROUGH INSTRUCTIONS

Studio and Residence E Side Sqr.

ARE YOU INSURED?

Fire and the leather-headed man may
come at the same time. It may not,
however, be within human power to
save your property.
The heap of blackened ruins may be
evidence of your lack of foresight or
proof that you are entitled to collect
the sum mentioned in your policy.

FIRE INSURANCE

is not expensive. It will be well
worth the cost even if the rates were
double what they are.
We will tell you all about it any
time you come in.
